

# ADVOCAP Opportunity Center

## Restaurant Partner Program

### About the Opportunity Center

The ADVOCAP Opportunity Center in Fond du Lac offers a safe, welcoming space where low-income individuals can access essential support services.

Through a personalized approach, we help participants facing homelessness, unemployment, or food insecurity connect with resources needed to work toward stability and out of poverty.

## 300+

participants supported since opening in November 2024

## 30+

individuals accessing the Center per day

#### Center Hours

Monday - Thursday: 9:00a - 3:00p

Closed on Fridays and weekends

19 W. 1st St., Fond du Lac

ADVOCAP, Inc. is a registered 501(c)(3) nonprofit.

### Nourish our community, one meal at a time.

There's nothing like a warm, hearty meal to lift spirits and bring people together. However, many of the participants at our Opportunity Center rely on packaged, hand-held foods, missing out on the comfort and nutrition of a hot, balanced meal.

To address this, our Restaurant Partner Program aims to provide regular meals at our Center, working with local restaurants to donate a monthly meal to help support the individuals in our Center. We invite restaurants to donate one weekday meal per month (the Center is not open on Fridays or weekends) for 40 participants.

### Restaurant Partner Program

By donating one meal per month for our participants, you help to:

**ensure individuals receive a nourishing, filling meal**

**promote food security, and improve mental and physical health for participants**

**provide a welcoming space to gather around a meal**

As a restaurant partner, you'll make a direct impact in our community by providing nutritious meals that promote better health, reduce medical issues, and improve mental well-being.

Your support helps strengthen Fond du Lac by lowering food insecurity, decreasing emergency room visits, and easing financial stress for individuals and families. Plus, you'll gain recognition as a business that gives back and makes a lasting difference.

**Let's work together to uplift our community through the power of shared meals.**
